Robert Evans and Leroy Dilka have started a new business teaching driving. We will be teaching Drivers Education to high school aged kids. Leroy and Robert have both been certified to teach driving to Law Enforcement since 2003. Leroy Dilka has been with the Wiggins Police Department for the last 16 years. Robert Evans has been with the Morgan County Sheriff's Office since 1997. In October of 2008 Leroy and Robert completed a driving instructor course hosted by the Colorado State Patrol.

REALDRIVING will be able to administer the State written exam and the required 6 hours driving. We will be teaching kids everything from checking the tires to how to drive the car. We will also be having them drive in some cone patterns to practice a slow speed lane change and parallel parking, among other skills.

There is a discount for the first six students that sign up for the class.

If you are interested in having us teach your teen how to drive please give either Leroy or Robert a phone call or you can send an email to [realdriving@q.com](mailto:realdriving@q.com). Leroy can be reached at 970-380-9782 and Robert can be reached at 970-768-0168.

We look forward to teaching the teenagers of today how to be safe drivers for life.
